The Legend of the SAND DOLLAR

THE SAND DOLLAR
OF
HOLY GHOST SHELL
is one of the most unusual specimens of marine life. The markings on the shell symbolize the Birth, Crucifixion and Resurrection of Christ

On the top side of the shell, an outline of the Easter Lily is clearly seen. At the center of the Lily a five pointed Star representing the Star of Bethlehem appears. The five narrow openings are representative of the four nail holes and the spear wound made in the body of Christ during the Crucifixion.

Reversing the shell you will easily recognize the outline of the Christmas Poinsettia and also the Bell. When broken, inside the shell are five little birds called the Doves of Peace. Some say they are the Angels that sang to the Shepherds the First Christmas Morning.

THE LEGEND OF THE SAND DOLLAR

Upon this odd shaped sea shell
a legend grand is told
About, the life of Jesus
the wondrous tale of old.

The center marking
plainly shows
the well known Guiding Star
That led to tiny Bethlehem
the Wise Men from afar.

The Christmas flower,
Poinsettia for his Nativity
The Resurrection too is marked
the Easter Lily, see.

Within the shell, should it be broke
five Doves of Peace are found
To emphasize this legend
so may Peace and Love abound.
